

# 06-授权账户归集

有时候我们采购的产品并不是同一时期，在Atlassian使用多个邮箱进行的产品采购；由于多个邮箱账户，导致采购产品的授权码不能统一的进行管理。此时，我们可以通过对指定账户进行归集，将分散在不同的账户下的授权码进行汇总。

此时，我们可以使用一个账户登录到https://my.atlassian.com官网

- 对某一个授权码新增技术联系人的邮箱

- 确认相关信息后，点击确认

## Promote to primary technical contact?

You're about to make **chenxinglin@hktxcn.com** the primary technical contact on SEN-12683313.

This means they will be able to:

- access any invoices for this product via email or through My Atlassian
- promote other contacts to primary in the future.

Past invoices will not be transferred and will remain in your My Atlassian account under Orders.

A notification email will be sent to hehongqi@hktxcn.com.

**Yes** Cancel

此后，在新的账户邮箱账户便可以统一来管理授权码了。
