

Gears Field History for jira

Gears Field History for jira

On the issue details page, you can see the change of a field at a glance

在问题详情页中，展示它指定的字段变更情况，一目了然

The screenshot shows the Jira issue details page for 'Perm-项目 / PERM-2'. The 'Field History' tab is selected, showing a list of changes for the 'Start date' field. The changes are:

- admin made changes -- 22/Dec/21 2:19 AM (22/Dec/21)
- admin made changes -- 22/Dec/21 2:40 PM (31/Dec/21)
- admin made changes -- 22/Dec/21 4:18 PM (6/Jan/22)

The 'Field History' tab is highlighted with a red box. The 'Start date' field is selected in the 'Select Field' dropdown.

You can select any field that already exists in the system

可以选择系统中任何字段，包括系统字段和自定义字段

The screenshot shows the Jira issue details page for 'Perm-项目 / PERM-2'. The 'Field History' tab is selected. A search dropdown is open, showing a list of fields that can be selected for the 'Field History' tab. The fields are:

- Rank
- parentIssueKey
- Epic Name
- Epic Status
- Team
- Parent Link
- Target start

The search dropdown is highlighted with a red box. The 'Field History' tab is also highlighted with a red box.
